1. General terms

1.1 The Data Provider declares to be the owner of the metadata and images; or the Data Provider is representing the owner and has the permission of the owner to act as it.

1.2 All metadata and images provided will remain the property of the Data Provider and will not be used without the permission of the Data Provider.

1.3 The Data Provider always has the right to remove all the provided data and images after a simple written request to the Daguerreobase administrator. The Daguerreobase administrator has to act within a period of 30 days.

1.4 The Data Provider allows Daguerreobase to:

a. Publish and maintain the metadata and images on Daguerreobase in order to preserve and to protect them against loss, and to keep them available/accessible.

The content provider is free to choose the rights statement for the images published on Daguerreobase and has to either select his preferred rights statement directly on this form (then mark option 1) OR on the Daguerreobase website when editing the records (mark option 2):

☐ Option 1. The chosen rights statement is defined for the entire collection of the content provider and is fixed. Two systems of rights statements coexist: the ‘Creative Commons Licenses’ or the ‘Europeana Rights Reserved Statements’. Daguerreobase recommends the option in bold as it precludes any commercial reuse of the images & ensures attribution.

Please, check below the rights statement you wish to apply to your images:

Creative Commons Licenses:
- Creative Commons – Zero (CCO)
- Creative Commons – Attribution – (BY)
- Creative Commons – Attribution Share Alike (BY-SA)
- Creative Commons – Attribution No derivatives (BY-ND)
- Creative Commons – Attribution Non-commercial (BY-NC)
- Creative Commons – Attribution Non-commercial, Share Alike (BY-NC-SA)
- Creative Commons – Attribution Non-commercial, No derivatives (BY-NC-ND)

Europeana Rights Reserved Statement:
- Rights reserved - free access
- Rights reserved - paid access

☐ Option 2

The content provider will select the rights statement on the Daguerreobase website when editing the data. In this case, the rights statement can be defined for each individual object, can be different for different objects from the same collection, and can be changed afterwards.

1 See 2. Definitions
2 The full Europeana Rights guidelines can be found at: [http://pro.europeana.eu/c/document_library/get_file?uuid=06e63d96-0358-4be8-9422-a63df3218510&groupId=10602](http://pro.europeana.eu/c/document_library/get_file?uuid=06e63d96-0358-4be8-9422-a63df3218510&groupId=10602)
3 A similar level of protection exists in the « Creative Commons Licenses» which is : « Attribution Non-commercial, Share Alike (BY-NC-SA) ». The « Europeana Rights Reserved » system was preferred because considered more easily understandable.
b. Ingest a selection of metadata and preview(s)\(^4\) into Europeana, according to the Data Exchange Agreement (DEA) that is made between the European Daguerreotype Association, EDA (representing Daguerreobase) and Europeana. In Europeana, descriptive metadata (excluding previews, see below 2. Definitions) will always be provided under CC0 1.0 Universal Public Domain Dedication, and previews of public domain content\(^5\) will be labelled using the Europeana Public Domain Mark. For previews of content not in the public domain, the rights statement chosen for publishing images on Daguerreobase will apply (1.4.a).

c. The content provider is allowed to integrate an owner’s mark in the provided images and previews, but should be aware of a minimal disturbing effect on the visibility of the image.

d. When the content provider is a private person, the data provider will be able to restrict the online publication of any personal information on the Daguerreobase website on a simple request to the Daguerreobase Administrator.

1.5 Daguerreobase or its representatives (EDA) will:

a. Represent the Data Provider during all negotiations with Europeana;

b. Represent the Data Provider regarding the requests for use of metadata and/or images that are available in Daguerreobase for all other purposes, excluding any form of commercial use.

Data Exchange Agreement – Annex 1: CC0 1.0 Universal Public Domain Dedication

CREATIVE COMMONS CORPORATION IS NOT A LAW FIRM AND DOES NOT PROVIDE LEGAL SERVICES. DISTRIBUTION OF THIS DOCUMENT DOES NOT CREATE AN ATTORNEY-CLIENT RELATIONSHIP. CREATIVE COMMONS PROVIDES THIS INFORMATION ON AN "AS-IS" BASIS. CREATIVE COMMONS MAKES NO WARRANTIES REGARDING THE USE OF THIS DOCUMENT OR THE INFORMATION OR WORKS PROVIDED HEREUNDER, AND DISCLAIMS LIABILITY FOR DAMAGES RESULTING FROM THE USE OF THIS DOCUMENT OR THE INFORMATION OR WORKS PROVIDED HEREUNDER.

Statement of Purpose

The laws of most jurisdictions throughout the world automatically confer exclusive Copyright and Related Rights (defined below) upon the creator and subsequent owner(s) (each and all, an "owner") of an original work of authorship and/or a database (each, a "Work").

Certain owners wish to permanently relinquish those rights to a Work for the purpose of contributing to a commons of creative, cultural and scientific works ("Commons") that the public can reliably and without fear of later claims of infringement build upon, modify, incorporate in other works, reuse and redistribute as freely as possible in any form whatsoever and for any purposes, including without limitation commercial purposes. These owners may contribute to the Commons to promote the ideal of a free culture and the further production of creative, cultural and scientific works, or to gain reputation or greater distribution for their Work in part through the use and efforts of others.

For these and/or other purposes and motivations, and without any expectation of additional consideration or compensation, the person associating CC0 with a Work (the "Affirmer"), to the extent that he or she is an owner of Copyright and Related Rights in the Work, voluntarily elects to apply CC0 to the Work and publicly distribute the Work under its terms, with knowledge of his or her Copyright and Related Rights in the Work and the meaning and intended legal effect of CC0 on those rights.

1. Copyright and Related Rights. A Work made available under CC0 may be protected by copyright and related or neighbouring rights ("Copyright and Related Rights"). Copyright and Related Rights include, but are not limited to, the following:

   i. the right to reproduce, adapt, distribute, perform, display, communicate, and translate a Work;
   ii. moral rights retained by the original author(s) and/or performer(s);
   iii. publicity and privacy rights pertaining to a person's image or likeness depicted in a Work;
   iv. rights protecting against unfair competition in regards to a Work, subject to the limitations in paragraph 4(a), below;
   v. rights protecting the extraction, dissemination, use and reuse of data in a Work;
   vi. database rights (such as those arising under Directive 96/9/EC of the European Parliament and of the Council of 11 March 1996 on the legal protection of databases, and under any national implementation thereof, including any amended or successor version of such directive); and
   vii. other similar, equivalent or corresponding rights throughout the world based on applicable law or treaty, and any national implementations thereof.
2. **Waiver.** To the greatest extent permitted by, but not in contravention of, applicable law, Affirmer hereby overtly, fully, permanently, irrevocably and unconditionally waives, abandons, and surrenders all of Affirmer's Copyright and Related Rights and associated claims and causes of action, whether now known or unknown, (including existing as well as future claims and causes of action), in the Work (i) in all territories worldwide, (ii) for the maximum duration provided by applicable law or treaty (including future time extensions), (iii) in any current or future medium and for any number of copies, and (iv) for any purpose whatsoever, including without limitation commercial, advertising or promotional purposes (the "Waiver"). Affirmer makes the Waiver for the benefit of each member of the public at large and to the detriment of Affirmer's heirs and successors, fully intending that such Waiver shall not be subject to revocation, rescission, cancellation, termination, or any other legal or equitable action to disrupt the quiet enjoyment of the Work by the public as contemplated by Affirmer's express Statement of Purpose.

3. **Public License Fallback.** Should any part of the Waiver for any reason be judged legally invalid or ineffective under applicable law, then the Waiver shall be preserved to the maximum extent permitted taking into account Affirmer's express Statement of Purpose. In addition, to the extent the Waiver is so judged Affirmer hereby grants to each affected person a royalty-free, non transferable, non sublicensable, non exclusive, irrevocable and unconditional license to exercise Affirmer's Copyright and Related Rights in the Work (i) in all territories worldwide, (ii) for the maximum duration provided by applicable law or treaty (including future time extensions), (iii) in any current or future medium and for any number of copies, and (iv) for any purpose whatsoever, including without limitation commercial, advertising or promotional purposes (the "License"). The License shall be deemed effective as of the date CC0 was applied by Affirmer to the Work. Should any part of the License for any reason be judged legally invalid or ineffective under applicable law, such partial invalidity or ineffectiveness shall not invalidate the remainder of the License, and in such case Affirmer hereby affirms that he or she will not (i) exercise any of his or her remaining Copyright and Related Rights in the Work or (ii) assert any associated claims and causes of action with respect to the Work, in either case contrary to Affirmer's express Statement of Purpose.

4. **Limitations and Disclaimers.**

a. No trademark or patent rights held by Affirmer are waived, abandoned, surrendered, licensed or otherwise affected by this document.

b. Affirmer offers the Work as-is and makes no representations or warranties of any kind concerning the Work, express, implied, statutory or otherwise, including without limitation warranties of title, merchantability, fitness for a particular purpose, non infringement, or the absence of latent or other defects, accuracy, or the present or absence of errors, whether or not discoverable, all to the greatest extent permissible under applicable law.

c. Affirmer disclaims responsibility for clearing rights of other persons that may apply to the Work or any use thereof, including without limitation any person's Copyright and Related Rights in the Work. Further, Affirmer disclaims responsibility for obtaining any necessary consents, permissions or other rights required for any use of the Work.

Affirmer understands and acknowledges that Creative Commons is not a party to this document and has no duty or obligation with respect to this CC0.

2. The Data Provider shall submit Metadata and Previews in accordance with the Metadata Specifications.

4. Europeana shall ensure that future versions of the Metadata Specifications are compatible with the Metadata Specifications in place on the Effective Date. Before mandating changes to Metadata Specifications, Europeana must consult the Europeana Network.

3. Europeana is entitled to publish the URLs pointing to the Previews together with other Metadata, unless the Data Provider indicates to Europeana in writing that it does not allow Europeana to do so. In the latter case, Europeana will only use the Previews in accordance with paragraph 2 of this article.

4. In as far as the Data Provider is the proprietor of Intellectual Property Rights to the Previews it provides to Europeana, the Data Provider hereby grants Europeana a license to use these rights in accordance with this article, without affecting any moral rights that it may have in these Previews.

5. In as far as the Data Provider has provided or will provide Europeana with Previews that it has aggregated from Third Parties or that otherwise originate from Third Parties, the Data Provider ensures that these Third Parties have authorized the Data Provider to enable Europeana to perform paragraphs 1 and 2 of this article.

a. a violation of Intellectual Property Rights of a Third Party;
b. an infringement of personality, privacy, publicity or other rights; or
c. an infringement of public order or morality (hate speech, obscenity, etc.).

2. In the event that performance by Europeana of articles 3 and 4 constitutes an unlawful act towards a Third Party, Europeana shall assist the Data Provider in limiting the negative consequences of such unlawful act, however without accepting any liability. In the performance of this obligation, Europeana shall use the notice and take down procedure of paragraph 3 of this article.

3. In the event that a Data Provider or a Third Party notifies Europeana that it is of the opinion that performance by Europeana of articles 3 and 4 constitutes an unlawful act towards any party, Europeana shall within 5 working days decide whether it considers the notice (i) void of grounds, (ii) readily awardable or (iii) subject to debate, and Europeana shall perform the following:

(i) In the event that Europeana considers the notice void of grounds, it shall inform the notifying party accordingly.

(ii) In the event that Europeana considers the notice readily awardable, it shall take all required measures to end the unlawful state. Europeana shall inform both the notifying party and the Data Provider of its decision.

(iii) In the event that Europeana considers the notice subject to debate, it shall inform the notifying party of this decision and allow the Data Provider to provide its views on the opinion within five (5) working days from the date that Europeana has forwarded the opinion to the Data provider. Upon receipt of the views of the Data Provider, Europeana shall decide within five (5) working days whether measures are required to end an unlawful state. Europeana may decide to request the notifying party and, subsequently, the Data Provider for further views.

4. Both parties shall hold the other party free and harmless of any action, recourse or claims made by any Third Party due to the non-observance of its obligations under this agreement.

Article 7 Termination

1. Either party may terminate this agreement at any time on the material breach or repeated other breaches by the other party of any obligation on its part under this agreement, by serving a written notice on the other party identifying the nature of the breach. The termination will become effective thirty (30) days after receipt of the written notice, unless during the relevant period of thirty (30) days the defaulting party remedies the breach.

2. This agreement may be terminated by either party on written notice if the other party becomes insolvent or bankrupt, if the Data Provider’s project ends or if the Data Provider withdraws or ceases operations. The termination will become effective thirty (30) days after receipt of the written notice.

3. Upon termination of this agreement, Europeana shall only be obliged to remove Metadata and Previews provided by the Data Provider if the Data Provider request Europeana to remove the Metadata and Previews. Removal shall happen no later than 30 days after such a request has been received by Europeana.
4. Termination of this agreement does not affect any prior valid agreement made by either party with Third Parties.

**Article 8 Miscellaneous**

1. If any term of this agreement is held by a court of competent jurisdiction to be invalid or unenforceable, then this agreement, including all of the remaining terms, will remain in full force and effect as if such invalid or unenforceable term had never been included.

2. This agreement replaces all data provider and/or data aggregator agreements concluded by Europeana and the Data Provider before the Effective Date and all Metadata and Previews provided to Europeana by the Data Provider under the conditions of such other agreement are, as of the Effective Date, considered to be provided under the conditions of the present agreement.

3. This agreement may be supplemented, amended or modified only by the mutual agreement of the parties. Any modification proposed by Europeana must be notified to the Data Provider in writing. The Data provider shall be allowed at least two months from the date of reception of the notice to accept the new agreement. If the modifications are not accepted by the Data Provider in writing within the allowed period, the modifications are presumed to have been rejected. If the proposed modifications are rejected by the Data Provider, Europeana has the right to terminate this agreement against 31 December of any year, with a one month notice.

4. This agreement is drawn up in English, which language shall govern all documents, notices, meetings, arbitral proceedings and processes relative thereto.

5. This agreement shall be construed in accordance with and governed by the laws of The Netherlands.

6. All disputes arising out of or in connection with this agreement, which cannot be solved amicably, shall be referred to the mediation group of the Europeana Network for mediation. The outcome of the mediation process will be binding on the parties.
